

Kickboard Student SEL & Climate Surveys

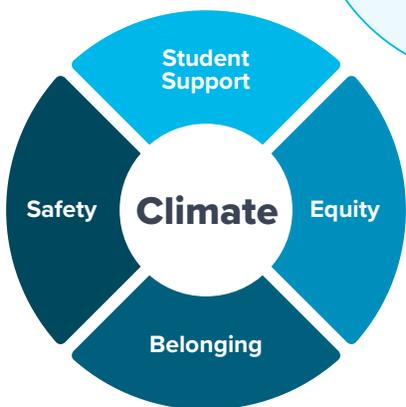

Kickboard offers simple monthly social emotional learning (SEL) and climate surveys for real-time student feedback. Schools analyze survey data to learn about overall trends in SEL skill performance and gather feedback on the climate and culture of the school.

Quick SEL & Climate Surveys for Real-Time Student Feedback

HOW IT WORKS
6-question surveys delivered to students each month on the Kickboard mobile app or on the web

Social Emotional Learning Measures for 5 Core Competencies

School Climate Measures for 4 Key Dimensions

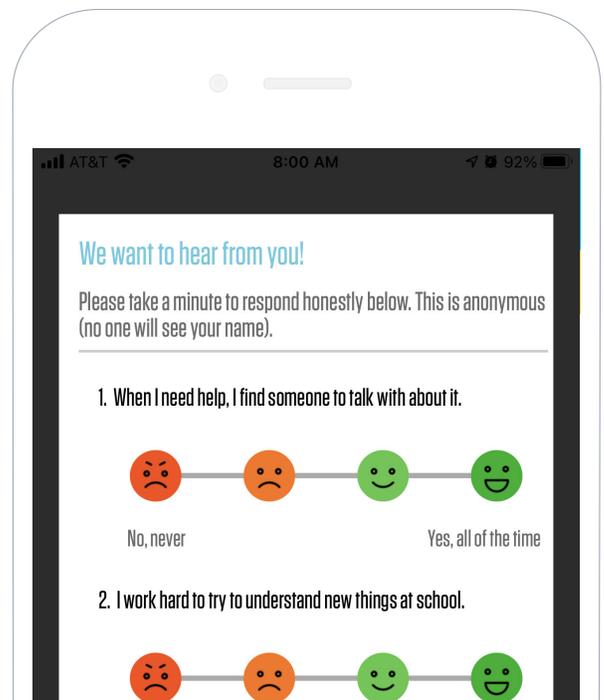

Taking the Survey

Kickboard's student surveys are administered on the Kickboard Student Portal, accessible from the Kickboard mobile app or web browser.

Privacy & Security

Kickboard's Student SEL & Climate Surveys are anonymous. Students answer six questions each month and Kickboard collects the responses, grade level of the student, and time/date of submission.

Kickboard's Student SEL & Climate Surveys are compliant with federal privacy laws, including FERPA, COPPA, and PPRA. Identifying information about the student such as name or birthdate is NOT collected with survey submission.

Survey Questions

Below are the statements included on each monthly survey. Students will give an answer on a scale from “No, never” to “Yes, all of the time”.

CYCLE	CATEGORY	STATEMENT
1 September December March	Self-Awareness	I understand my moods and feelings.
		There are many things that I do well.
	Self-Management	I stop and think before doing anything when I get angry.
		I keep trying even when I can't solve a problem easily.
	Student Support	My teachers really care about me.
		My teachers make an effort to get to know me.
2 October January April	Social Awareness	I listen to other students' ideas.
		I try to understand how other people feel.
	Relationship Skills	I try to talk to other students if I am having a problem with them.
		I get along with students who are different from me.
	Belonging	I am happy to be at this school.
		I feel like I am part of my school.
3 November February May	Responsible Decision-Making	When I need help, I find someone to talk with about it.
		I work hard to try to understand new things at school.
	Equity	The teachers at my school treat all students fairly.
		Students who are different from each other get along well at my school.
	Safety	I feel safe in school.
		Most students in my school treat each other with respect.

Research-Based SEL and Climate Survey Questions

Questions on Kickboard's Student SEL and Climate Surveys are sourced from researched-based, widely used, open-access surveys, including: *American Institutes for Research Conditions for Learning Survey*, *California Healthy Kids Survey*, *School Climate for Diversity Scale*, and *U.S. Department of Education School Climate Survey*.
